Gentleman

This is Letter #3. No response has been received to those Letters. There is a possibility that your "Messages" / "Letters" have been blocked as "SPAM." But this is no excuse as you have been provided with my "U.S. Postal Service" mailing address.

You tell us that your Web Site of "Internet Archive" was created for the purpose of:

"Like a paper library, we provide free access to researchers, historians, scholars, people with print disabilities, and the general public. Our mission is to provide Universal Access to All Knowledge." [Emphasis added].

We also see the following statement which appears on your "This terms of use agreement":

"The Archive may immediately terminate this Agreement at its sole discretion at any time upon written notice (including via email) to you." [Emphasis added].

[Not according to "Federal Law" of "47 U.S. Code § 230".]

Without "Notice" (*written or otherwise*), the "Staff" imposed a "Block" ("access-restricted-item = true") on all "Videos" of "Brother Nathanael" (over "2,400 Videos") which I, Gordon Warren Epperly, posted on my "Internet Archive" account. As I have not received any "notification" as to the reasons relied upon to "Block" every "Video" of "Brother Nathanael," there are no "recourse" procedures provided to correct any problems.

The "U.S. Congress" has provided:

"47 U.S. Code § 230 - Protection for private blocking and screening of offensive material.

"(c) Protection for "Good Samaritan" blocking and screening of **offensive** material.
[*Emphasis added*].

"(2) Civil liability.

"(A) any action voluntarily **taken in good faith** to restrict access to or availability of material that the provider or user **considers to be obscene, lewd, lascivious, filthy, excessively violent, harassing,** or otherwise **objectionable**, whether or not such material is constitutionally protected; . . ." [*Emphasis added*].

Gentlemen, please provide me, "Gordon Warren Epperly," with the following:

1. In regard to the "Federal Law" of "47 U.S. Code § 230(c)," please provide me, "Gordon Warren Epperly," with the "**Offensive**" material which you relied upon to "**Block**" every "Video" of "Brother Nathanael." [*Emphasis added*].
2. In regard to the "Federal Law" of "47 U.S. Code § 230(c)(A)," please provide me, "Gordon Warren Epperly" with your definition of the phrase: "**taken in good faith**." [*Emphasis added*].
3. In regard to the "Federal Law" of "47 U.S. Code § 230(c)(A)," please provide me, "Gordon Warren Epperly" with the material that you may ("**in good faith**") consider to be "**obscene**," "**lewd**," "**lascivious**," "**filthy**," "**excessively violent**," "**harassing**," or otherwise "**objectionable**." [*Emphasis added*].

For the "Staff" of "Internet Archive" to be acting in "**Good Faith**," there must be signed "Complaints" on the "Record." Please provide me with photocopies of all "Complaints" that have "**Standing**" of "Injured Parties" that were used to justify the "**Blocking**" of all "Videos" of "Brother Nathanael" from my "Internet Archive Account."

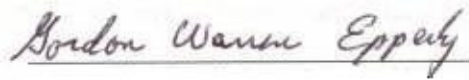

Why are other "Internet Archive Accounts" being permitted to carry "Brother Nathanael Videos" while at the same time, having those "Videos" being "**Blocked**" on my "Account"?

If no justification may be found, please remove any "Schemes" that may have been used to "**Block**" any "Videos" that may be found on the "Internet Archive Account" of "Gordon Warren Epperly." Make all "Videos" of "Brother Nathanael" viewable to the "General Public."

A copy of this "Message" will be made available to the "U.S. Attorney" that represents me within the "State of Alaska":

Honorable S. Lane Tucker
Office of U.S. Attorney
222 West 7th Avenue, Room 253, #9,
Anchorage, Alaska 99513

Sincerely Yours

A handwritten signature in cursive script that reads "Gordon Warren Epperly". The signature is written in dark ink and is positioned above a horizontal line.
